What is SHARE

SHARE is a national charitable organization that helps women suffering from breast cancer through a hotline and support services. Deeply tied to the hospitality world, SHARE produces The Second Helping of Life, a celebrity chef tasting/auction that takes place in New York, sponsored by all-women Chefs and restaurateurs.

MISSION

SHARE's mission is to create and sustain a supportive network and community of women affected by breast and ovarian cancers. SHARE brings women and their families and friends together with others who have experienced breast and ovarian cancers, and provides participants with the opportunity to receive and exchange information, support, strength and hope.

FOCUS

SHARE's work focuses on empowerment, education and advocacy to bring about better health care, an improved quality of life, and a cure for these diseases.

CHARITABLE SERVICES

SHARE is unique in offering peer support helplines (including LatinaSHARE), survivor-led support groups and educational services at no cost.

The Event

SHARE's 12th Annual Second Helping of Life: As part of this year's partnership with SHARE, Anna de Codorníu was the only sparkling wine sponsor at their annual charity event at Chelsea Piers which brought in New York City's top women Chefs and celebrities. Anna Brut, Brut Rose and the cocktail *Anna's Kiss* were presented to approximately 750 consumers and Anna was well received by both consumers and Chefs.
