

# SCALA DEI

## SCALA DEI PRIOR

---

This elegant blend leads with brick red color followed by fruit aromatics and then notes of vanilla toast from oak aging. On the palate, the wine is broad and full bodied, with good structure and a long, persistent finish.

# SCALA DEI

## SCALA DEI PRIOR

### DESIGNATION

D.O.C. Priorat

### COMPOSITION

Garnacha and a small portion of Cariñena, Syrah and Cabernet Sauvignon

### WINEMAKING

Destemmed fruit is fermented in water-cooled stainless steel tanks for 15 days to achieve a light extraction of tannins in advance of malolactic fermentation.

### AGING

The wine is aged for nine months in new French and American oak barrels in advance of two additional years in the bottle.
