

# LUNA DI LUNA

## *The History of the Perfect Blends*

Luna di Luna is the original wine blend. Introduced in 1996 with the Chardonnay / Pinot Grigio, our goal was to blend delicious grapes to produce a wine that offers something beyond the everyday. Luna di Luna has a full line of award-winning wines for every occasion. Our combination of innovative blends, striking packaging and value pricing has made Luna di Luna one of the fastest-growing wines in the world.

Imported from Italy from the Veneto region.

## **Chardonnay / Pinot Grigio**

Presented in a dramatic cobalt blue bottle, this is the original 60/40 Chardonnay/Pinot Grigio blend.

It offers a light and refreshingly crisp finish with the taste of fresh melons and berries. Soft yellow in color with well-balanced tones of apples and peaches.

Recommended with fish, shellfish, soups and light meals or as an aperitif.

*Imported by AV Brands*
