## *The History of the Perfect Blends*

Luna di Luna is the original wine blend. Introduced in 1996, our goal was to blend delicious grapes to produce a wine that offers something beyond the everyday. Luna di Luna has a full line of award-winning wines for every occasion.

Our combination of innovative blends, striking packaging and value pricing has made Luna di Luna one of the fastest-growing wines in the world.

Imported from Italy from the Veneto region.

## **Merlot / Cabernet**

The perfect choice for red wine lovers, this deep garnet wine is the brilliant combination of two popular grapes, Merlot and Cabernet.

With luscious layers of blackberry, raspberry and ripe plum, this blend in a Ferrari-red bottle is excellent with red and roasted meats.
